

Chrysler Affiliated Rewards Program

The Chrysler Affiliated Rewards Program offers employees and their spouses preferred prices on most Chrysler, Dodge, and Jeep vehicles.

The preferred price is 1% below Factory Invoice, and as a participant in this program you may not be charged more than that price at participating dealerships.*

To participate, go to www.chrysleraffiliates.com and provide our Company Code of **F003JQ** to register and to receive a Control Number. Take the Company Code and Control Number to the participating dealership along with a photo ID and an original pay stub (or printed copy of your iPay stub). That will entitle you to be charged no more than the Preferred Price.

Questions about this program should be directed to the toll free number at **888-444-4321**.

** The following vehicles are not eligible for this program – Dodge Viper, Dodge Sprinter, Dodge SRT-4, Chrysler Crossfire, or any Mercedes Benz vehicle.*
