Ford X-plan

As a Ford Motor Company select partner, employees can take advantage of Ford's new vehicle purchase/lease program that offers significant savings from MSRP.

Eligibility

The Ford X-Plan Partner Recognition program provides special vehicle discounts to employees and their spouses (limited to two personal identification numbers (PINs) per calendar year) and to members of the employee's household – that means any family member, friend, roommate, etc. who lives with the employee can participate as long as their valid driver's license proves household status.

How it Works

1. Log into www.fordpartner.com using Partner Code: **AL14V**
2. Research specific X-Plan pricing and incentives on Ford and Lincoln vehicles
3. View the complete X-Plan rules, as well as, helpful FAQ's
4. Generate a Personal Identification Number (PIN) for exclusive X-Plan vehicle pricing
5. Visit a participating dealer and identify yourself as a X-Plan Partner Recognition participant (be sure to bring your PIN and proof of employment such as a paystub, W-2 or healthcare card)

Pricing and Incentives

The dealer is required to provide you with a true copy of the factory invoice showing the Partner Recognition price on the line labeled X-Plan. You should also receive a complete and signed AXZD-Plan Pricing Agreement showing each item and its price. Do not sign this form if it is blank or if you do not understand how the price was calculated. All added items must be documented on this form, including negative equity on trade, and gifts.

Special Offers

From time to time, Ford Motor Company will offer special incentives to Partner Recognition Program participants in addition to existing retail (i.e. general public) incentives. Enrolled members will receive an email notifying them of the offer. Partner Recognition benefits extend beyond your vehicle purchase, click on the Special Offers tab at www.fordpartner.com for more information.
